Testimonial from Col. L. B. Thoanton, Attorney at Law Dr. C. Williams—Dear Sir:—I take great pleasure in being able to recommend your "Balsam of Wild Cherry and Wood Naptha;" I feel no hesitation in saying it is the best remedy I have ever tried for colds, coughs, and affections of the lungs and chest. I had an attack of Pneumonia last winter and received entire relief from one bottle of the above medicine, and have since tried it for cough, produced by severe cold, and found from it immediate relief. If my estimony to the efficacy of your valuable medicine will be of any use, you can have permission to use this as you please Yours truly, L. B. ATLANTA, February 12, 1852.

This is to certify that I have used Dr. C. Williams' "Com-

pound Pulmonic Balsam of Wild Cherry and Wood Napths," for a disease of the Lungs, with which I have been afflicted for many years, and found more relief from it than any medicine I have ever used—having used a quantity of Wistar's Balsam and other preparations. I found that Dr. Williams' "Pulmonic Balsam" gave me more relief than any other pre-paration. I have procured this medicine and furnished it many of my friends, and they unhesitatingly declare that they have received great and permanent relief from its use, and declare it the best and most effectual remedy for all diseases of the Lungs and Throat. I therefore take pleasure in recommending this very valuable preparation to the afflicted. REES H. LIN.
